SS. Constantine and Helen Greek Orthodox Church

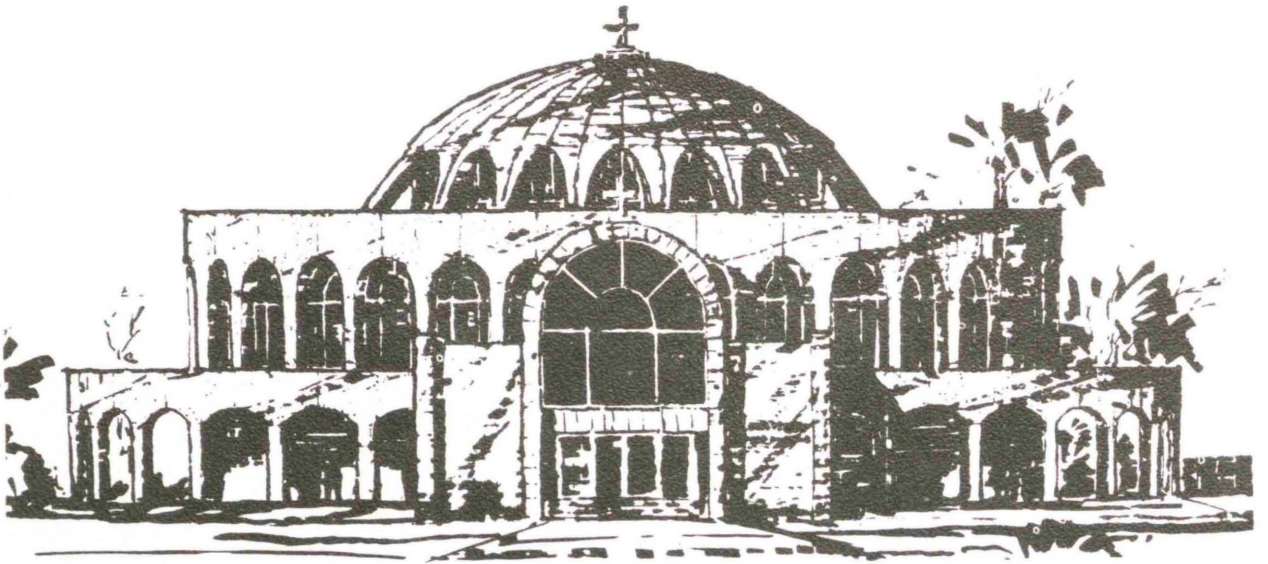

This is the story of our community. Founded by simple people. Their triumphs and their failures, their dreams, their hopes, their stalemates, and their interruptions, but most of all their perseverance.

As the city and the community grew, the church was engulfed and stifled. It was time to expand. Hence the Merrillville Church Complex.

To the founders, to the builders, and to the future generations of the Saints Constantine and Helen Greek Orthodox Church and its Gary area congregation, we humbly dedicate this Commemorative Album for the greater glory of Almighty God from now unto eternity.

St. Constantine The Great

Constantine was born in 274 A.D. His place of birth has not been definitely established. His father was Constantius, a Roman military man who was destined to become Ceasar. His mother was Helen a virtuous daughter of a Greek innkeeper.

He followed his father's footsteps and entered the army at the age of eighteen. His rise was rapid and in 306 he became Ceasar of the Western part of the Roman Empire.

In 311 when Rome was under the tyrannical control of the Emperor Maxentius, the people begged of Constantine to liberate them. News of this reached Maxentius and he prepared an infantry of 170,000 and a calvary of 18,000.

Constantine sped to the Alps. His army only contained 50,000. He was outnumbered by over three to one. SACRED TRADITION tells us that he prayed to

the God of the Christians. According to Eusebius Bishop of Caesarea, at midday Constantine, his officers and men, saw in the heavens a fiery cross which bore the Greek inscription "triumph in this." That very night Constantine saw Christ in his sleep along with the sign of the cross and received instructions to have made a symbol of the cross as protection in his battles. The next day Constantine ordered the construction of a banner of the cross and the inscription. Thus the first Christian flag was created.

On October 28, 312, Constantine achieved his final victory over Maxentius and the following day entered Rome as Emperor bearing with him the banner.

In January of 313 in Milan Constantine's sister Constantia was wed to the Emperor of the East Licinius. It was then that the two emperors issued the famous Edict of Milan, which granted freedom of religion and freedom of conscience. This edict was directed toward all

Our Patron Saints — continued

religions, but was of prime benefit to Christianity. The Christian Church was then free to worship without persecution in both East and West. In the West especially, Constantine granted many privileges to the Christian clergy and erected Christian Churches from public funds.

Constantine was opposed in his pro-Christian decisions by the members of his court who were pre-dominantly anti-Christian. This situation lasted until 330 when he replaced these with Christians.

Constantine repealed many unjust laws and gave much recognition to the Church and the Christian Clergy.

Attempting to bring external peace and freedom to the Church the Emperor was greatly concerned over the the Church, the Emperor was greatly concerned over the disturbance caused within the Church by the Arian heresy. To resolve this situation he convoked the first

In 323 being provoked to war by Licinius and having defeated him Constantine becomes sole Emperor of the Roman Empire. Returning to Rome after an absence of twelve years in July of 326 he found the capitol most abhorring to his pro-Christian temperament. On the 13th of July as was the custom of all of the officials went to sacrifice to Zeus. Constantine refused expressing his contempt for this idolatrous ritual. Much dissension was then heard against him. He realized then that there would always be misunderstanding between Rome and himself. He decided to create a new capital in the East in order to establish a Christian Empire and then receive the Christian baptism. His selection was the ancient city of Byzantium on the shores of the Bosphorus.

Due to the efficiency of its builder the new capital was ready in nine months. In its main square two columns were erected bearing the inscriptions Helen and Constantine. Between them was a cross under which was inscribed "one Holy, one Lord, Jesus Christ, for the Glory of God the Father, Amen."

Constantine formally dedicated the new capital on May 11, 330. He offered it to the protection of the All Holy Theotokos and named it CONSTANTINOPLE or NEW ROME.

It was Constantine's fondest desire to journey to the Holy Lands and to receive Baptism in the waters of Jordan where Christ was baptized by St. John the Forerunner. The innumerable duties and obligations of his office forestalled this pilgrimage, however. Early in 337 while in Helenopolis he became quite ill. As the illness became grave, he was moved to the palace of Nicomedia where he received Holy Baptism and all the prescribed Church rituals. He passed to eternity on May 21, 337, the Feast of the Pentecost, at the age of 63. He was

buried at the Church of the Holy Apostles in Constantinople, in a tomb that he had prepared for himself.

Many have criticized Constantine for his actions and deeds as Emperor. But the Orthodox Church weighing on the one hand the many great things that Constantine did for Christianity and bearing in mind that Christ forgave Peter and taking into consideration his repentance and the forgiving Grace of his baptism, proclaimed him a Saint.

ST. HELEN

St. Helen, mother of Constantine was born in 247 in Drepanon of Bithynia. About 270 she met at the inn of her father a young Roman officer Constantius to whom she was wed. Helen bore a son in 274, Constantine.

Helen was not a Christian by birth, but she espoused Christianity after her marriage. Doubtless this occurred with the approval of Constantius whom she influenced to be favorably disposed to the Christians. Constantius had a profound respect for her. Thus it is somewhat paradoxical that he divorced her in 293. This was done with her consent for the laws of Rome provided that to attain a high official position one had to be married to a wife of high station. Thus if he remained married to Helen he could not have become Caesar.

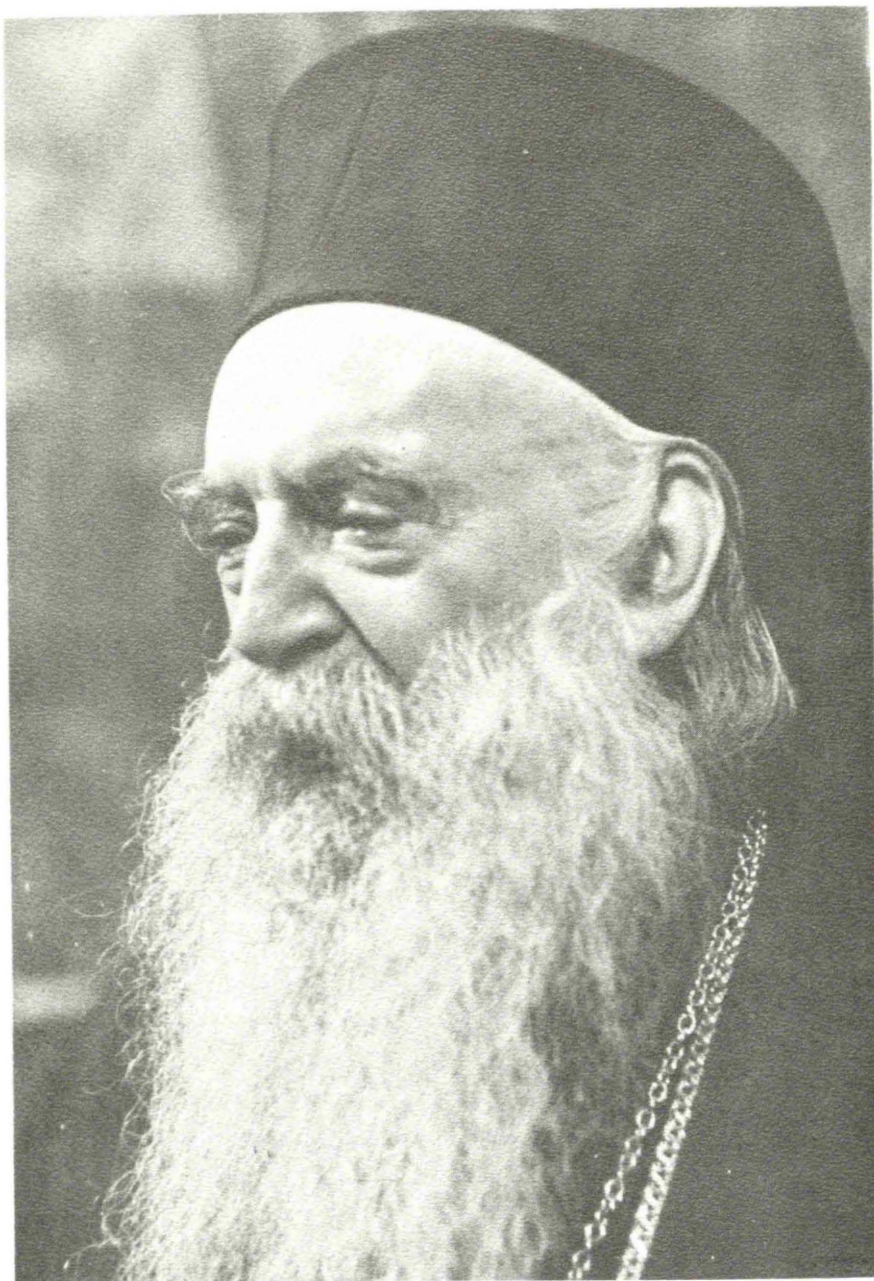

Though she was divorced she was not separated from her beloved son. Constantine's love for his mother was immense. He kept her with him always. When he became Emperor he changed the name of her birthplace to HELENOPOLIS. She instilled in him his love for the Christian Religion.

It was her fervent dream to go to the Holy Lands, to pray for herself and for her son and also that God would grant for him also to visit the Holy Places where Christ had trodden and be baptized as he desired. Her dream became reality in 326.

She sought out and found the place of Christ's Crucifixion and His tomb and she made them Shrines. This she accomplished by giving money so that Churches could be built at the place of His Resurrection, the place of His birth and the mount of His Ascension. She also gave abundantly to the poor Christians of Jerusalem.

Constantine received his mother with much joy and deep respect. In 328 at the age of 81 she entered that place where there is "no pain, no sorrow, no tribulation, but life without end."

Her memory is commemorated by the Orthodox Church along with that of her son on May 21st.

MERRILLVILLE, INDIANA

It is a pleasure to be able to join with you on this the happy occasion of your sixtieth anniversary.

During the past sixty years you have served your community with great distinction. Your commitment to the spiritual values of your faith and heritage has helped strengthen the moral fiber of our Nation. I know the pride you all must feel at this time, and I trust that this same pride will continue to be a source of strength as you carry on with your important work.

February 13, 1975

Greetings to the members of St. Constantine & Helen Greek Orthodox Church on the occasion of your 60th Anniversary.

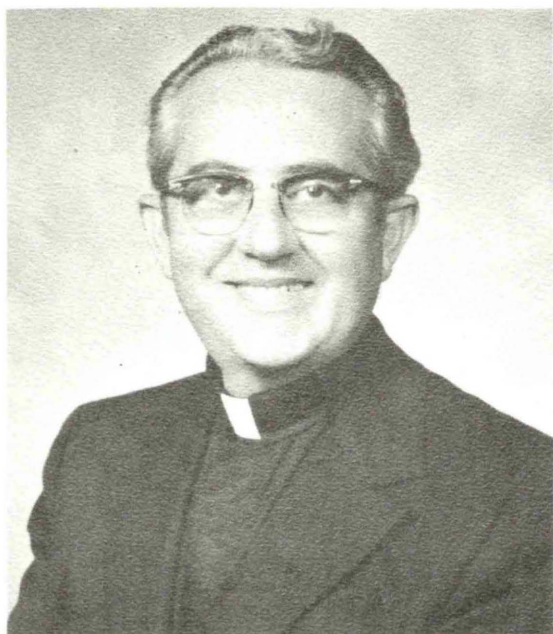

It is fitting that your new church and cultural center grow as the new Town of Merrillville grows. In 1972 our first Town Board's Inaugural Ball was held in St. Constantine & Helen's almost-completed Hall. Since that time, many of the community's important social events have utilized your impressive facilities.

We are delighted to see your sanctuary is also moving toward completion.

On behalf of the Town Board and citizens of Merrillville, congratulations on what you have accomplished, and best wishes to the Church's congregation as you complete your beautiful complex.

Most sincerely,

Anne Collins

Father Evagoras Constantinides

PASTOR

SS CONSTANTINE AND HELEN CHURCH

My dear co-workers in Christ:

It is not easy to express the feelings which flood my heart as I observe the people of this parish at work, and admire their accomplishments.

Perhaps the best way I can relay them is with the following story which I read somewhere.

There was an old man who lived in a mountainous country far away from the nearest village which he visited only once a year. In order to get to the village he had to travel on a path which ran over a clumsy stonepile bridge at the bottom of a deep gulley. When in deep old age, he decided to make his last trip to the village he discovered that the winter rains had washed the bridge away. Without hesitation he started gathering the scattered stones and piling them up again to reconstruct the bridge. Some people who happened to be passing by and knew him asked him why, an old man like him, was going into all the trouble to rebuild the bridge, which he probably would never use again, when he could easily have walked on the bottom of the gulley to get across. "For others who will come after me", he answered. "I used this bridge which others have built, and I must rrebuild it for the ones who will follow. All of us must leave something for posterity."

Be it church buildings, or legacies, or properties, or traditions or ideals or -- above all - our Orthodox Christian Faith, all of us, without exception, when we make our appearance upon this earth, find something which others have built before us. Common decency, then, compels us not only to receive but to preserve, to perpetuate, to cultivate and to transmit them to the ones who follow us in better shape than we receive them.

This is what I feel we are doing in this parish.

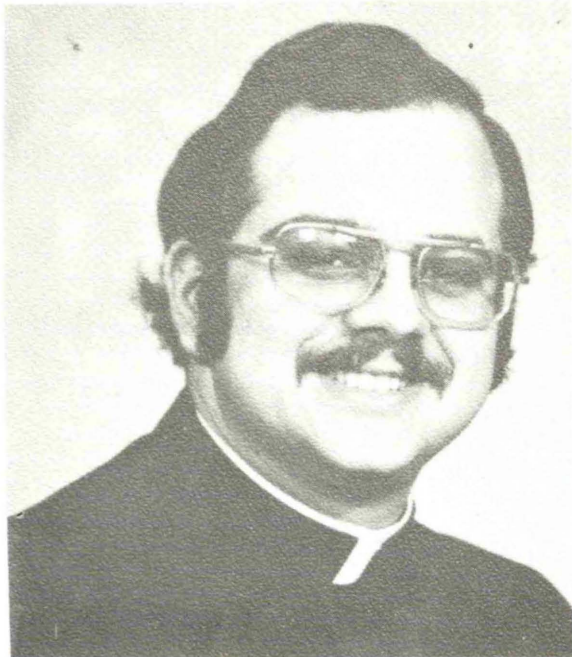

And there is another lesson in the story. The true Christian engages in works of Christian love from his first breath to his last. At no time can a Christian "retire" or deviate from his Christian mission by saying: "I've done my share, let the younger and richer ones do theirs."

Thank you for the opportunity you have given me to accomplish so much with you.

Yours in our Lord's love,

A handwritten signature in dark ink, appearing to read "Fr. Evagoras Constantinides". The signature is fluid and cursive, with a large initial "F" and "E".

Father Evagoras Constantinides

Father
Nicholas Petropoulakos

ASSISTANT PASTOR
SS CONSTANTINE AND HELEN CHURCH

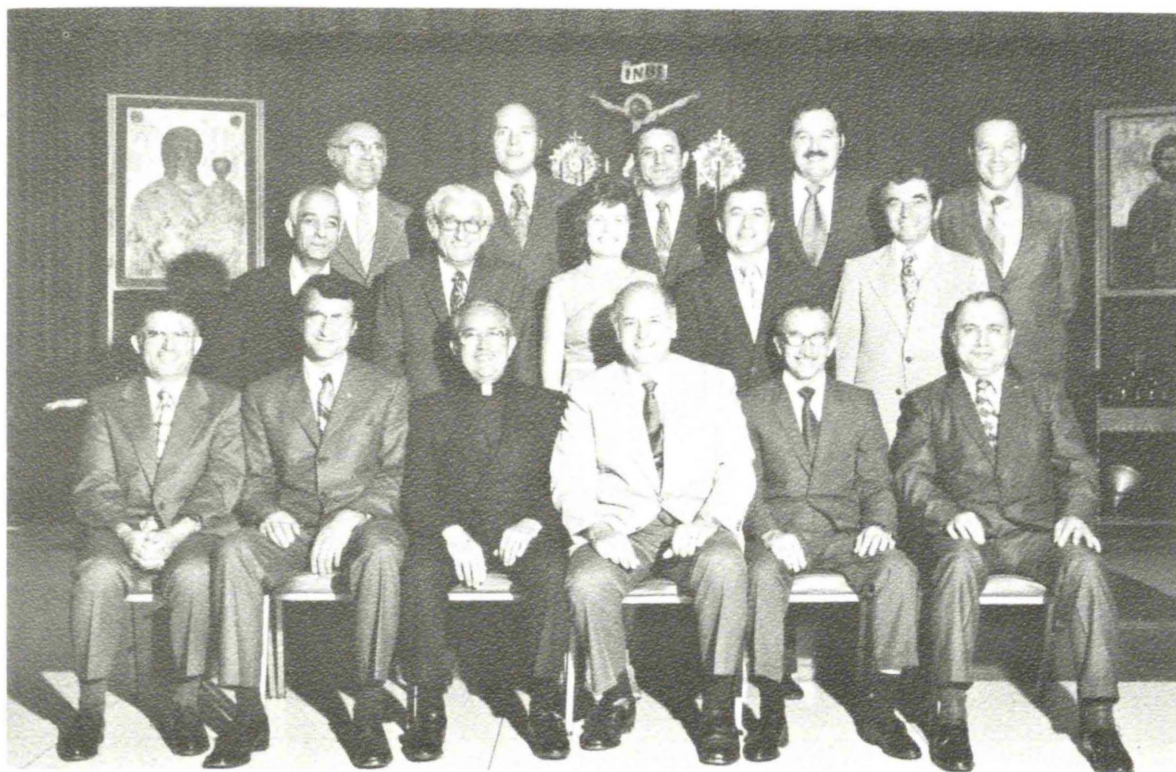

As a student for the priesthood nears the end of his studies, he begins to wonder what his first parish will be like. He has been taught Theology, Homiletics, Liturgics and Pastoral Psychology, but now he has to go out and apply it. It's a somewhat tense and frightening time for this young man and his family, but he asks for God's guidance and strength in the beginning of his ministry for Christ.

Last year, I had these very same thoughts and fears when I came to SS. Constantine and Helen for the very first time during Holy Week. "Will people accept me?" "Will I do a good job?" "What will they think of me?" "Is this parish where God wanted me to come?" These were the questions going through my mind at that time.

I am very happy to say, I am pleased that I was sent to Merrillville and that I am finding some exceptional people here to live and work with. This parish is doing great things in all areas of community life and there is much to be learned from watching its growth.

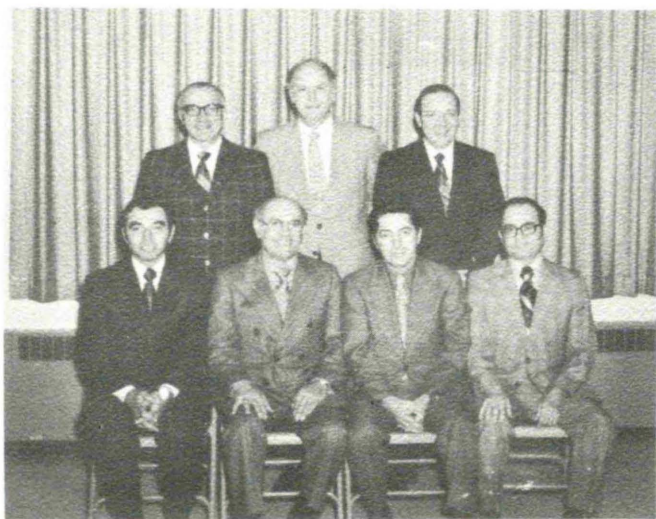

My family and I wish to express our best wishes to all those working on this beautiful commemorative album and to everyone within the parish for continued prosperity and growth in Christ.

Yours in His Service
Father Nicholas Petropoulakos

Dear Colleagues and Fellow Parishioners:

As President of the Parish Council of SS. Constantine and Helen Greek Orthodox Church of the Gary-Merrillville, Indiana area, I feel that all persons who have served on the Boards and Councils of this Church, since its inception in 1913 and its foundation in 1917, have been very fortunate men.

This is because the zeal and enthusiasm of the pioneer founders has not diminished in the least. On the contrary, like a divine flame, it envelopes everyone who comes to the parish and molds him or her into the enviable unity which lies at the foundation of our Orthodox Christian contributions to our ancestry, our area, our country, to posterity.

Thank you for your unqualified support. Please continue to set the pace and example for others.

Sincerely,

JAMES E. MAMMAS, President

ACKNOWLEDGEMENTS

This Commemorative Album depicting the first sixty years of Saints Constantine and Helen Church is intended to serve as a cherished memento of our church's history. Perhaps you will find it worthy to place among your own family's personal albums and scrapbooks, or to use as a gift to relatives and friends.

The difficult task of preparing this historical album is completed, and the finished product you have in your hands should be of great importance to our parishioners and to the friends of our church. It affords an opportunity to reminisce about the founding and growth of our community, and to acquaint others with the significant progress of events.

The sources of factual data were very limited, but the determination and perseverance remained steadfast to those who accepted the task. We have strived for perfection but this was a complicated, many-faceted task, and mistakes are bound to be made. If we have inadvertently missed someone or some event, please be generous and forgive.

We humbly apologize for the delay in getting this album into print. We know how anxiously everyone has been waiting, but many things have hindered us including the untimely death of the chairman, Chris Trakas. In our many meetings with him, we had agreed on a format very similar to the one we have worked out. May this book serve as a Memorial to him, and to the many who have gone before him, who in some way have contributed of themselves to the church. It is our fervent hope that the finished product will more than compensate for the delay and that it was worth waiting for.

It would be a great injustice not to mention and to thank those who have given their wholehearted support and co-operation:

...To the many parishioners who participated in the program by coming forward and having their family portrait taken, thereby adding a unique feature to this album. This was something new, and many were reluctant to take part. For those whose photographs were submitted and included in the family section of this book, they have the self-satisfaction of knowing they have helped to enrich its historical value.

...To the people who contributed personal memorabilia for the historical section of the album. From this collection we have tried to pick out a cross-section, depicting life in the community at different eras. We are sorry to have had to reject some due to the very limited space allotted. It is hoped that we have helped many of you to reminisce and others to journey into the "good old days" with us.

...Proper acknowledgement is due to Father Evagoras Constantinides, the members of AHEPA, the members of the Church Council, and parishioners for soliciting the ads and memorials.

...In addition to the above mentioned, however, we acknowledge and gratefully thank the many friends and business people who supported Saints Constantine and Helen by placing advertising in the album. We express our gratitude and urge all of our readers to actively support them.

In this book, we have included the late Patriarch of our church, His Holiness Athenagoras I, as we had received his photo and message before he died. In view of the high regard the people of the United States had for him, and vice versa, we considered it fitting and proper to honor his memory with a place in our album. We know you will agree.

We have also included recognition of our beloved pastor, the late Bishop Cassimatis, who served us so well for 20 years. The article, so aptly prepared by Fay Donovan, is sure to bring warm and pleasant memories to the many parishioners, young and old, who were privileged to have known him.

We are personally grateful for the opportunity to have worked on this book for we acquired a very rewarding experience, with great personal satisfaction that far outweighs the time and effort expended.

We hope and pray that Saints Constantine and Helen Church will continue to be blessed by the Grace of God, and that this documentary will be the first of many joyful events to be published.

EDUCATION

The Church seeks to continue the perpetuation of a rich heritage by educating the youth and teaching them the language of their forefathers.

...For all of those who wish to learn, there is Greek School...

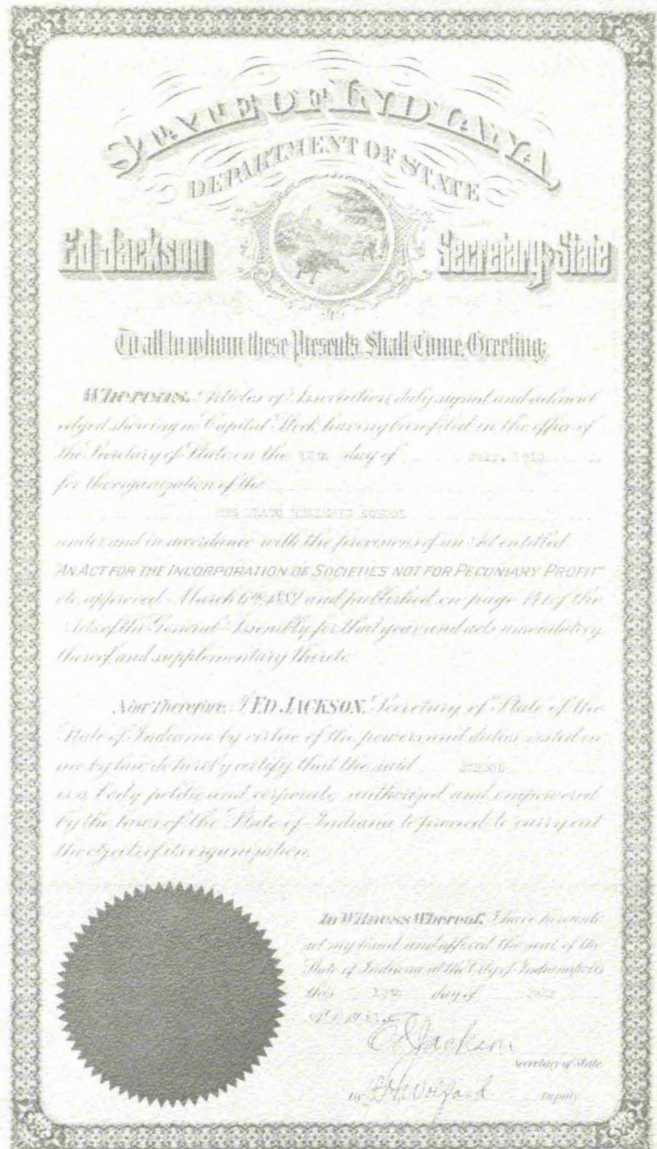

Since 1921 the Greek School has influenced the lives of all but a few members of Saints Constantine and Helen congregation.

The cultural teachings of Greek language, religion, history and the classics were for Gary Area Hellenes an intellectual link with the past, to interpret the meaning and purpose of a precious heritage.

Who, can forget those unforgettable growing-up days in the Plato School? The teaching discipline was stern and no matter how one felt about the school routine, like it or not, there was the inviolable admonition from parents, and well understood by the children, that attendance was a must. There was no excuses except for illness.

Plato School classes were held after the regular public school schedule, generally from 4:30 to 7:00 PM. School before playtime.

A State Charter for the first school was issued July 13 1921. The first classes were held in the church basement.

Athanasios Thomas, a beloved and respected man, was the 1st teacher. Later Mrs. Irene Pittas and Helen Zervos Antoniadis joined the staff, and the basement was partitioned for additional rooms.

Sometime in 1923 or 1924 a day school was instituted and an instructor was hired to teach Greek children the English language. The Greek teachers followed the regular curriculum in the native tongue. This program lasted but a short time and by the following semester the pupils were attending the public schools full time again. Greek after-school classes were not discontinued, however.

Later a taxi and still later busses were chartered to transport children from their home area to the Greek Church school. Still later, it was decided to hold classes in neighborhood public school classrooms.

Among the teachers who have served at one time or another since 1921 were: Father Arcadios Arcadiou, Tom Athanasopou-

los, Toula Bafaloukos, Argyro Calfopoulou, Vassilia Callas, Christ Canoles, Father Irineos Cassimatis, Coula Eleftheri, Father Fousianis, Father Elias Gerasimos, Domna Halvatgis, Lucia Lucaidou, Maria Marmarokopou, Pepe Monanteras, Angeline Nonus, Fotini Pappas, Sevasti Parascos, Demetrios Petrides, Irene Pittas, Maria Savatakis, Mary Strogiludis, Athanasios Thomas, Father Tsourounakis, Mrs. Trembonis, Anna Zaronias, Maria Zembillas, Helen Zervos.

The new Greek School, now in use, and constructed as part of the new church complex in Merrillville is far beyond the most hoped-for dreams of the early immigrant. Indeed, they would be proud of the sacrifices made by their off-spring to perpetuate the Greek educational traditions in the young.

53 Years of Service and Accomplishment

The Order of Ahepa has contributed financially to many worthy causes during its 50 years of existence, on a national and international level. These contributions do not take into account the many local activities of our chapters within the realm of their communities. Local Ahepa chapters have always given generously and vigorously supported local community undertakings in the fields of education, charity and civic improvement. The national and international contributions include:

- Relief of Florida hurricane victims
- Relief of Mississippi flood victims
- Relief of Corinth Earthquake victims
- For the War Orphans of Greece
- Relief of Dodecanese Earthquake victims
- For the fatherless children of refugees, through the Near East Relief
- For the Hellenic Museum
- National Scholarships to worthy students
- For the Theological Seminaries at Brookline and Pomfret
- Ahepa Franklin D. Roosevelt Memorial at Hyde Park
- Ypsilanti and Dilboy Memorials
- Sons of Pericles Memorial to the American Philhellenes of 1821, at Missolonghi, Greece
- Relief of Turkish Earthquake victims
- For the Patriarchate of Jerusalem
- For the Patriarchate of Constantinople
- Ecuacorean Relief
- Kansas City Flood Relief
- Greek War Relief
- Ahepa Hospitals in Athens and Thessaloniki, and 7 Health Centers in Greece
- Ahepa Agricultural College in Greece

- Ahepa Preventorium in Volos
- Penelopian Shelter Home in Athens
- Ahepa Hall for Boys at St. Basil's Academy
- The Ahepa School at St. Basil's Academy, Garrison, N.Y.
- Sale of 500 MILLION Dollars in U.S. War Bonds during World War II as an official issuing agency of the U.S. Treasury
- Truman Library
- Dr. George Papanicolaou Cancer Research Institute at Miami
- The Ahepa Truman Memorial, Athens, Greece
- The New Smyrna Beach, Fla. monument commemorating the First Landing of Hellenes in the New World in the year 1768
- The Ahepa Educational Journey to Greece Student Program.
- Cooley's Anemia
- Save-A-Heart Program
- Cyprus Emergency Relief

These are some of Ahepa's contributions to worthy causes during its 52 years of existence.

Members of the Ahepa take justifiable pride in Ahepa's record of accomplishment. Ahepa has championed the cause of education—it has successfully fought for the freedom and self-respect of the minorities in its Justice for Greece and Justice for Cyprus programs, and Ahepa has always displayed its benevolence and generosity to the stricken victims of disaster both here and abroad.

Therefore, when we build,
 Let us think that we build forever
 Let it not be for present delight,
 Nor for present use alone.
 Let it be such work
 As our descendents will thank us for,
 And let us think as we lay
 Stone on stone,
 That a time is to come
 When those stones will be held sacred
 Because our hands have touched them,
 And that men will say,
 As they look upon the labors
 And the wrought substance of them,
 "See! This our Fathers did for us!"

THE HISTORY

of Saints Constantine and Helen Greek Orthodox Church in Northwest Indiana is a personified treasure of divine faith and proud traditions. For more than sixty years it has influenced the individual and community values of its Gary area Hellenic-American congregation.

The foundation for preserving and perpetuating our heritage in Gary began in 1906 when our forefathers migrated to the new Steel City then rising on the sand dunes of Lake Michigan. They came chiefly to find economic security and, for some, an escape from persecution under the rule of Ottoman Turks.

These first immigrants had hoped to save money and return someday to their homeland to help their impoverished families. For a few this goal was realized. The majority, however, by economic necessity, or by choice, decided to settle in Gary permanently. They married, raised families, and became part of the mainstream to enjoy the new found freedoms of American Life.

Here, then, in their newly adopted land, surfaced the inherent link with tradition and righteousness which has bound us to a legacy of ancient Greek civilizations. Our immigrant forefathers recognized the need for a church and its sacramental life of the faith. They understood, too, the importance of the church for expressing language, old world culture and ethnic heritage.

The event which is said to have ignited concerned discussions for a local church was the death in 1911 of the first Greek in the Gary community. An inescapable religious bond dictated the consciences of his friends to invoke the last rites in a Greek church. His body was taken to Chicago for Greek services and it was then that serious talks began for a place of worship for the congregation in Gary.

The first meeting to plan for a church in the newly established community was held in the spring of 1912. Gary was then only six years old and there were only ten Greek families comprised of a handful of single men and only seven women. Later that year, they resolved organizational differences and reached an accord on how the church was to be constituted.

First, they chose to identify their faith with St. Constantine, the Roman Emperor who permitted the free practice of Christianity in the 4th century. St. Helen, Constantine's mother, was added to the church identification sometime after 1924.

An attorney was engaged to write a constitution but his knowledge of Orthodox Canon Law was limited. Later, when church authorities were attempting to bring order in the Greek church, the constitution was changed to conform to Orthodox law and practice.

First worship services in 1913 were held in a rented store building at 1259 Madison Street and St. Constantine became the first Greek church in the new and growing city of Gary. At first, priests from Chicago were engaged to perform at Sunday services. Two years later, in 1915, the first permanent pastor, the Rev. Nicholas Mandilas of Corfu, was assigned to the Gary congregation in response to a request to the Holy Synod in Greece.

Even then, there were dedicated parish leaders who could foresee the time when the Gary Hellenic community would have a church building of its own. But to build a church would cost money.

Raising funds was a difficult and often times a discouraging task for the congregation leaders. Since there were so few Greeks in the community, a contribution of any amount from wages that were less than one dollar per day meant great sacrifice for these poor immigrants.

Visits were made by pioneer congregation leaders to several Midwest cities to ask financial help from other Greek groups. Travel in those days to Indianapolis, South Bend and Marion, Indiana and to Cleveland and Toledo, Ohio where appeals for financial help were made was a tiring and time-consuming effort.

As the number of Greeks increased through family size and with the arrival of new immigrants, the store building became inadequate to shelter the evergrowing congregation. It was apparent that plans would have to be considered for new space of worship. Late in 1913, plans were formulated for the acquisition of a new church site.

Negotiations were started almost immediately for the purchase of a parcel of land at 14th and Madison Street. In 1916, the site was deeded to the congregation of St. Constantine. In the meantime, some members of the congregation decided that a more

appropriate place for our house of worship should be at 13th and Jackson Street where three other churches were already built by the foreign born and their families.

So plans were abandoned for building a church at 14th and Madison. Efforts were then directed toward erecting our church at 13th and Jackson. The property was bought for \$3,500 which was paid out of a \$10,000 loan obtained by the leaders. This loan was repaid in late 1919. The lots at 14th and Madison, where the church was originally planned, were sold for \$3,000 that same year.

Ground for the new church at 13th and Jackson was broken in 1917. Problems arising from World War I resulted in a scarcity of labor and materials which delayed construction for several months until 1918 when work was resumed with the help of Greek parishioners.

After the basement was finished, services were held in a tent erected on the flooring. Not providing total comfort, this temporary church tent offered limited protection from the biting cold Gary winter of 1918.

The first service was held in the new church on Easter Sunday, 1919. Construction work continued through the spring and summer months when plans were made for the dedication service. On September 27, 1919, the new St. Constantine Church was dedicated in what a Gary newspaper at the time described as "the most pretentious celebration among foreign-born citizens ever held in Gary."

The colorful dedication-consecration Archieratical Divine Liturgy lasted over four hours and was attended by leading church figures dressed in colorful ecclesiastical garments. The Greek consul joined hundreds of Gary Greeks and others for the occasion. Those who were unable to find seats in the church overflowed into the street outside according to a newspaper account. It was estimated that the crowd exceeded 4,000 persons.

Officiating at the Liturgy was the Rt. Rev. Bishop Alexander of Rodostolon who added significance to the event because it was the first time that any member of the Greek church hierarchy participated in a "thyranoxia" or "door-opening" service west of the Appalachian Mountains.

Donations collected from the assembled dedication congregation were reported to be approximately \$3,000 and were earmarked for the church building and furnishings fund and for furthering the welfare work of the local congregation.

In an editorial comment published by the Gary newspaper the day after the dedication ceremony, the congregation received high praise:

"The new church is one of the most impressive in

this section of the country," the editorial writer said. "The fact that the local colony of Greeks has about 300 and is one of the youngest in America makes St. Constantine church stand as a monument of the Gary Greek colony's ideals."

The church itself was an original plan styled in Byzantine architecture which was to be duplicated in later years by several other congregations in the United States. St. Constantine's had very few changes after it was built. A platform was added in front of the altar and in the early days there were no pews. All icons were later donated by members of the congregation. The icon screen, one of the most beautiful in the country, was hand painted by two Italian artists.

The church cornerstone had two dates -- one, 1912, referred to the year when the church was founded and the other, 1917, referred to the year when construction began on the new church.

The church cost about \$50,000 with furnishings costing another \$25,000. The mortgage debt for the Greek congregation was paid off in a ceremony in 1942. An adjoining Hellenic Community Center was added in 1950, at the cost of \$150,000.

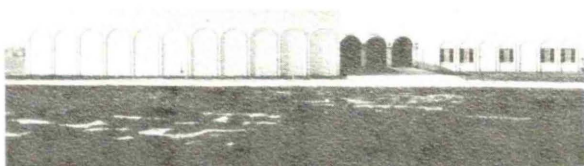

Only one event marred the harmony of church life during its more than sixty years. It was culminated in a political division between two opposing factions comprised of supporters of the king and another group who favored the Venizelos government in Greece. In 1922, the two groups made an outright split. The Royalists, supporting the crown, built their own Gary church, Holy Trinity, at 11th and Jackson. In 1931, church authorities intervened and the two groups were reunited.

In the late 1950's it was decided by church leaders that the time had come as it had to our forefathers, when future growth of the church had to be considered. At a general meeting in 1961, a committee was authorized to start searching for a site to build another new church. For six years, extensive studies were made of several possible locations. In 1967, the present site, which originally consisted of 37 1/2 acres, was purchased at 8000 Madison Street in Merrillville, Indiana, for \$200,000. The down payment of \$84,000 was accumulated from a special appropriation which exceeded by far the \$1,000 annual amount earmarked for the fund by the congregation in 1961.

A great financial boost for the church fund also came from the Hellenic Welfare Society. The society was founded by a group of local, hardworking church members who sponsored social events and outings for many years on its property on 49th Avenue to raise money for the church. Some consideration was given years ago to building the new church on this property.

Ground for the new St. Constantine and Helen Greek Orthodox Church complex in Merrillville was

broken on September 20, 1970. The Cultural Center was formally opened and church services were held in the Great Hall on Thanksgiving Day, 1971, by the Rt. Rev. Bishop Timotheos of Chicago. Dedication of the Complex was held on May 14, 1972 by his Eminence Archbishop Iakovos. The old church and Hellenic Community Center were sold in 1971 to the Koinonia Missionary Baptist Church for \$100,000. Vacating the old church for our new modern church complex left us with a certain amount of nostalgic sadness.

THIS IS WHAT WE HAVE BUILT

In the Hellenic Cultural Center -- are offices, library, classrooms, all-purpose room, kitchen and the Great Hall social center. The Great Hall has served for worship services until the new church is completed. Construction and financing plans have been underway for some time to complete the church stage of the complex.

The composition of the membership of Saints Constantine and Helen, their origin, occupations, ambitions and ideals are typical of Greek communities everywhere.

Not only has the church served the spiritual needs of our community but is also the meeting place for families and friends at community social functions, weddings, anniversaries, baptisms, funerals, etc.

Emphasis on the old world culture and national heritage is manifested in many different ways and through many organizations affiliated but not directly related to the Church. The influence of Greek life on all age groups is carried on through religious, literary, cultural, and social activities.

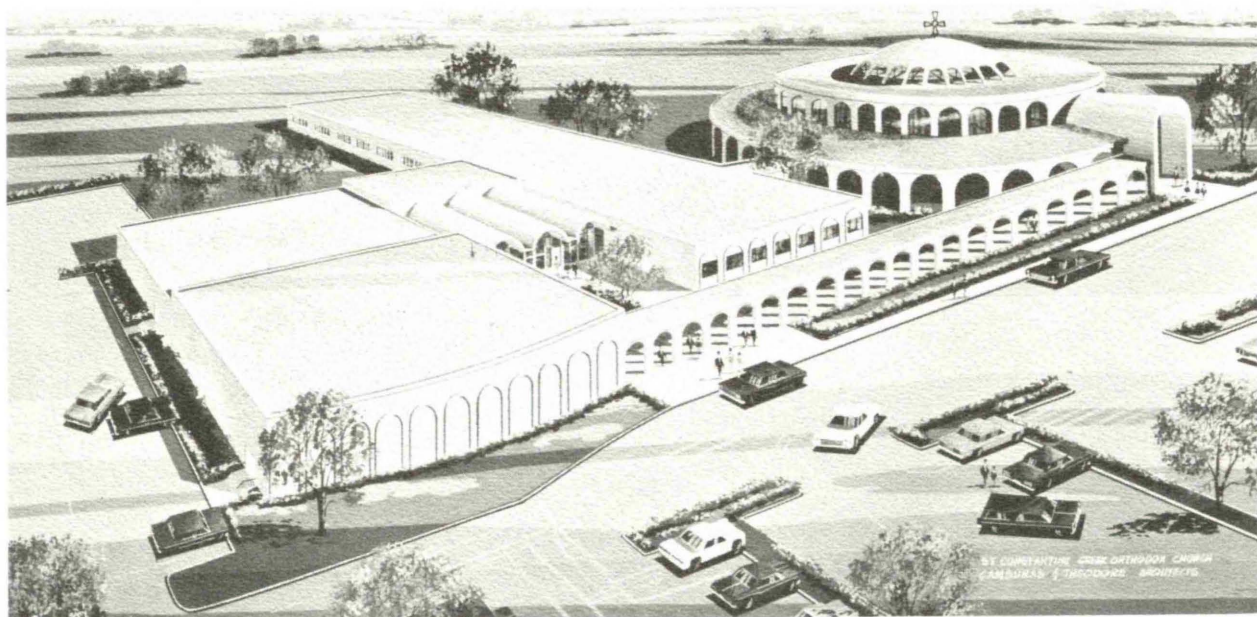

Educational programs for our children are far-reaching. Recognizing the influence of changing American life styles and culture, every effort is made to perpetuate the Orthodox Christian faith and Hellenic ideals through the young who represent the future generations of our congregation.

The Gary area Greek Orthodox church is now governed by a 25-member board. Until 1967, two bodies -- a seven-member trustee board and a fifteen-member council -- made decisions affecting church policies.

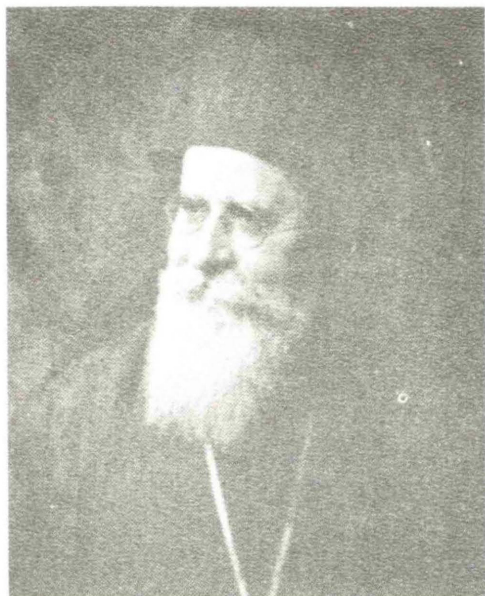

Greeks now number about 7,000 in the Gary area. In 1920, there were 1,392 and a 1930 record showed 3,344 Greek-born residents with another 730 of Greek parentage.

In the little more than sixty years since it was founded, when conflicts, political crises and economic upheavals were shaking social structures, opinions and history, Gary area Greek-Americans remained steadfast and loyal to their church. For centuries, our people have preserved the simple faith and traditions of our forefathers because it is our enriching and ennobling birthright.

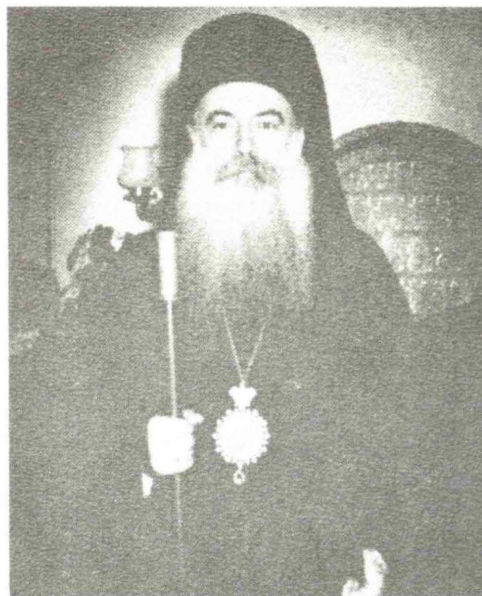

The church has been our inspiration to be good American citizens, to serve our country, our state and our community, and to be proud of our Hellenic origin and heritage.

"FORGIVE ... FORGET ... and LOVE"

By FAY MAGNISALIS DONOVAN

Bishop Irineos Cassimatis called Gary his hometown. And to this day, many of his parishioners consider the man who later was to head the Greek Orthodox Church in South America, "their priest".

Bishop Cassimatis served the Greek Community in the Gary area as parish priest from 1931 to 1951. During those years he won his way into the homelife of many of his parish families.

How many can remember the philosophical discussions with the well-read priest in the late hours of the evening? How many can remember his obvious enjoyment and camaraderie at parties and family gatherings? His subtle humor? How many can remember this man's ability to call each youngster by his first name?

But, he may be best remembered for cooling the tempers of volatile parishioners and smoothing over the sometimes difficult problems which faced the operation of a struggling Gary church through the years of the Depression and World War II.

Bishop Cassimatis, elevated to that post and given the title of "Bishop of Avydos" in 1951 during ceremonies in New York City, "belonged to the church" virtually all of his life.

He was only 17 months old on his native island of Cephalonia when he snatched a fish sizzling in a frying pan, gulped it down and nearly choked to death.

While the child lay unconscious and frantic neighbors sought a doctor, his mother prayed and made a bargain. If her son was spared she would dedicate him to the church.

Soon afterwards, the youngster wore the black robe, a symbol of that dedication. Until he was 13 years old Bishop Cassimatis attended morning and evening church services daily. He then left his home to begin studies at the Holy Cross Seminary in Jerusalem.

In an interview in 1951, Bishop Cassimatis said of his spare moments exploring the ancient city. "It was a great thrill to walk the same streets, past some of the same houses that Jesus Christ knew." Because the school in Jerusalem closed for lack of funds, the young student, with help from an uncle in Egypt, studied in Cairo for a year until his graduation.

The next four years were spent in Constantinople where he studied Italian and French and the Slavonic languages and taught in the Greek parochial schools.

Bishop Cassimatis was ordained a deacon in 1916 and in 1919 a priest in his native Cephalonia where he served for a year. Then he left for Athens where he spent another year before going to Melbourne, Australia, serving there six years before immigrating to the United States.

Always Yours

Bishop Cassimatis

Bishop Cassimatis pastored a parish in San Francisco for six years and was on his way to New York City to head the office of the church publication when he stopped in Chicago.

That stop in 1931 and visits with three καριώται (countrymen) who had immigrated to Gary, changed his destiny. He visited Gary where SS Constantine and Helen Greek Orthodox Church was without a pastor and stayed 20 years. He became the priest in a community where nine priests had served before him, none for more than two years.

In the 20 year period with Bishop Cassimatis the congregation doubled in number and a community building was built next to the church on 13th Avenue in Gary.

With his elevation to bishop in 1951 and his departure from Gary, came the responsibility of heading the Greek Orthodox Church in South America where 30,000 of its members lived.

It was while he lived in South America that Bishop Cassimatis journeyed to Cephalonia after a 34 year absence and to Constantinople where he was

greeted at the airport by a delegation headed by the late Patriarch Athenagoras, the ecumenical head of all Orthodox Christians. Bishop Cassimatis had gone to school with the patriarch and had known him when both were young pastors in Athens.

Before his return to Argentina during that 1954 pilgrimage, the bishop came "home" to Gary for a visit. He had expected a quiet stay but instead was deluged with invitations from his many friends and he was honored at a reception given by the Greek School PTA and St. Helen's Philoptochos.

Sadly, after his return to South America, his health began to fail. In a letter in 1959 to a Gary friend, he wrote: "I can concentrate my mind and use my paralytic hand to write this letter. I am not well at all. Little by little I am paralyzed. Nobody can predict the time of my death, but I realize that I am very weak".

On October 2, 1961, the 68-year old former Gary priest died in Athens. The Gary community mourned the death of the man who had earned the respect of all who knew him and had given his formula for that respect: "Forgive -- forget -- and love."

THE GOLDEN SPADE MAKES A GLORIOUS BEGINNING

by Fr. Evagoras Constantinides

It was a gorgeous day indeed! As we all arose on Sunday morning, September 20, 1970, we looked at the sky and we saw the weather smiling on us.

The Hellenic Center was full to capacity and beyond, much earlier than usual. His Grace Bishop Timotheos, surrounded by Fathers Evagoras and Polykarpos, was chanting the Katavasies. A gentleman from Minneapolis, George Makris, was nervously awaiting his ordination to Deacon. The feeling of anticipation was painted on the faces of all. Why? What was so exceptional about this day?

It was Ground Breaking Day!

It was the day that this parish had been waiting for, for almost a dozen years. And God granted it to us. But it was not God alone who made this day possible. As our Lord Jesus used to say, according to your faith, so shall it be granted to you. And so it was. Because we have demonstrated the genuine and sincere faith in God and ourselves, we have come to a milestone in our history.

The Archieratical Divine Liturgy was over at 11:00 A.M. And then, that sea of humanity entered several hundred cars and a chartered bus and with the president's car in the lead, driven by a very happy Dr. Ed Pappas and two happier passengers Bishop Timotheos and Father Evagoras, the more than a mile long motorcade made its way to 13th and Broadway, and then south on Broadway to Highway 30, west to Madison Street and north a quarter of a mile to the new Church site.

At 12:30 P.M., right on schedule, the crowd was already assembled around the canopied platform. Then, from the house erected on the Church property and serving as a temporary office, came the past presidents, parish council members, heads of the auxiliaries, our guests of honor, Lake County Commissioner Dr. J. J. Forszt and Merrillville Chamber of Com-

merce President Rudy Dittrich, and His Grace Bishop Timotheos surrounded by Father Evagoras and Father Polykarpos of our Church and Father Peter Rozdelsky of St. Mary's Russian Orthodox Church and Father Richard Grabowski of the Descent of the Holy Ghost Romanian Orthodox Church.

With our chanter Harry Galouzis chanting "Sosen kyrie ton laon sou...", the procession made its way to the platform where the blessing of the water took place. Then His Grace poured the blessed water on the ground and took out the first shovelful of earth. He was followed in this by Father Evagoras, Father Polykarpos, Dr. Ed Pappas, our guests of honor, the past presidents of the parish attending: Nick Adams, George Bogordos, Spiro Cappony, Nick Cost, Phil Monanteras, Nick Pangere, Mike Thanos, Anthony Tournis and Nathan Tsangaris. Then the parish council members took their turn, those who did not participate in another capacity, Perry Costidakis, Nick T. Zoumis, Mrs. Dan Vossos representing her husband who was home ill, John Bizanes, Louis Bravos, Chris Brown, William Galanis, Dr. James Hadey, John Kapras, Dr. John Kolettis, George Malamatos, Chris Retson, Chris Sakelaris and Dr. George Volan. Then the Building Committee Chairman Jim Mammias and his Committee Chris Zeheralis, Andrew Poulos, Al Terzes and Gus Costakis and the representatives of the various auxiliaries: Stella Daravanis of the Philoptothos, Nick Poulos of the Jr. GOYA, Estelle Kapnas of the Sunday School and Georgia Megremis of the Choir. The most touching moment, however, came shortly after the ceremony when a really sick but courageous past president, Chris Trakas arrived late, because of a visit to the hospital that morning, to participate in this cherished event.

When the ceremony was over, 300 parishioners and guests enjoyed a mirth filled luncheon at the Scherwood Country Club Restaurant to celebrate an unforgettable happening in the history of our parish.

H I S T O R I C D A Y S
by Father Evagoras Constantinides

It was raining rather hard on Saturday morning, May 13, 1972. Yet, some 35 presidents of various Greek Orthodox parishes from mid-America--from Kentucky to Ontario, Canada--assembled in our Cultural Center for a one-day seminar on the finances of the Church with His Eminence Archbishop Iakovos, His Grace Bishop Timotheos, Mr. Chris Demetriadis, Director of Economic Development of the Archdiocese and Mr. George Chimples, Chairman of the Finance Committee of the Archdiocesan Mixed Council.

It was a very productive meeting. For our parish it was a rare and unique privilege to host such a gathering, and for us it was a great honor to receive congratulations and admiration of the presidents for our "beautiful, functional and best-arranged buildings, and the most successful Total Pledge System."

And so Saturday was over and all of us went to bed with a prayer that Sunday, May 14--Mother's Day--would be a nice day for the groundbreaking of our new Church by His Eminence.

Few knew that His Eminence took quite ill Saturday night and almost returned to Boston. But thanks to his great desire to complete his pastoral visit to our parish, and the agreement of his doctor in Boston and Dr. Pappas here that medication could restore him, he stayed and with the help of God gave us the most memorable day in the history of the parish.

Sunday dawned bright and sunny but ominous clouds covered the western horizon.

His Eminence and His Grace, assisted by the Rev. Father John Geranios, Vicar General of the Archdiocese for clergy affairs Fathers Evagoras Constantinides and Theoharis Theoharis, and Theology student Michael Kouremetis, concelebrated the Divine Liturgy before a congregation of more than 1200.

At the conclusion of the Liturgy, and without any previous notification, His Eminence called Dr. E. T. Pappas to his throne and honored him with the Offikion of ARCHON AKTOUARIOS (Court Physician) for his leadership and his role in the progress of the parish during the last few years.

Eleven Altar boys--James and Andrew Kyres, John Petalas, Charles, Savas and John Zembillas, James Karabetsos, Louis Kouremetis, Michael Bookas, John Marakas and Aris Andreatos--were tonsured to Readers.

His Eminence then brought tears of gratitude to the eyes of Father Evagoras as he asked him to kneel and addressed him with these words: "My dear Father Evagoras, you know how much love and respect your Archbi-

shop, your Bishop and your Church have for you. Because of this and . . . I bestow upon you the Offikion of Protopresbyter for your inspired and dynamic leadership, untiring energy, excellent education, stubborn adherence and devotion to the Church and its mission and your Cypriot aggressiveness."

And His Eminence, despite his physical exhaustion, went on with unbelievable endurance and obvious joy to dedicate the Cultural Center which was completed on Thanksgiving Day 1971.

Then, after the distribution of the Antidoron, in a procession of the Altar boys, choir and clergy, His Eminence and His Grace went outside the building to the vacant lot to the north where ground was broken for the new Church, construction of which will start later this year.

On Sunday evening His Eminence, His Grace, Commissioner Dr. J. J. Forszt, Merrillville Town President Ron Randhan with Mrs. Randhan, Archon George Marks with Mrs. Marks, Bank of Indiana President James Dandurand with Mrs. Dandurand, Architect Ted Theodore with Mrs. Theodore, Vicar General Father John Geranios, Fathers Byron Papanikolaou, Alexander Karloutsos, Peter Georgacakes, Nicholas Katinas and George Economou with their Presbyteras, from neighboring parishes, former priests of this parish Fathers George Kiricoples and Manousos Lionikis with their Presbyteras attended, along with our clergy, the Parish Council and representatives of all our Church organizations and some 350 parishioners and friends, an elegant dedication dinner.

Invited also were former priests of our parish Fathers Polycarpus Gryfakis and Spencer Kezios but could not attend. Edgar D. Whitcomb, Governor of the State of Indiana, and Consul General of Greece Nicholas Macrides were unable to attend.

Our Choir Director, Mrs. Anne Bellas, sang the National Anthems, accompanied at the piano by JR. GOYA President Christ Drossos, Jr. Master of Ceremonies was Dr. E. T. Pappas. Highlight of the dinner was the awarding of the Gold Medal of St. Paul to the distinguished attorney, Mr. Louis H. George, for his many and continuous services to the Church, without interruption and without remuneration since 1920.

His Eminence delivered a most stirring address on the state and future of present-day society enumerating the many pitfalls which abound because of man's uncontrollable desire to act by himself alone without the guidance and grace of God, and appealed to the young to place dignity, morality and faith in God above the so-called freedoms of the individual.

Lest

We

Forget

The American's Creed

I believe in the United States of America as a government of the people, by the people, for the people; whose just powers are derived from the consent of the governed; a democracy in a Republic; a sovereign Nation of many sovereign States; a perfect Union, one and inseparable; established upon those principles of freedom, equality, justice, and humanity for which American patriots sacrificed their lives and fortunes.

I therefore believe it is my duty to my country to love it; to support its Constitution; to obey its laws; to respect its Flag; and to defend it against all enemies.

William Tyler Page

We salute the members of our parish who bravely served their country in its wars and conflicts.

We are proud of the Gary Area Hellenes who wore a uniform to defend the Constitutional freedoms which our immigrant forefathers taught us to cherish.

To these men and women we pay humble tribute. For those who gave up their lives we offer our prayers.

*I did a favor yesterday,
A kindly little deed...
And then I called to all the world
To stop and look and heed.
They stopped and looked and flattered me
In words I could not trust,
And when the world had gone away
My good deed turned to dust.*

*A very tiny courtesy
I found to do today;
'Twas quickly done, with none to see,
And then I ran away...
But someone must have witnessed it,
For--truly I declare--
As I sped back the stony path
Roses were blooming there!*

THE ICONOSTASION OF THE OLD CHURCH FOR THOSE WHO WISH TO REMEMBER . . .
. . . AND FOR THOSE WHO NEVER HAD A CHANCE TO SEE IT.

An overall view of the icon screen and part of the chandelier and church shown during the performance in June, 1948 of the Sacrament of Marriage.

A close-up view of the icon screen with Father Manousos Lionikis and his altar boys, June, 1968.

5378 Broadway Plaza
Merrillville, Indiana

The area's only Hellenic-owned Jewellery and Gift Store, ALEXIA'S, is proud to have had its origin during the same year as did our church in its new location.

To the many who contributed time and money to reach this, our present plateau, our congratulations and ALEXIA'S is looking forward to being a part of "the task before us".

Alexandra DaMaskos - Bill DaMaskos - Bill Galanis

WHERE SHOPPING'S A REAL PLEASURE

W I L C O P R O D U C E

Our Produce Department, features the largest selection of fresh fruits and vegetables.

At Wilco you can buy just what you want and just as much as you want. Usually, fruits, and vegetables are not pre-packaged. Pick out your own grapefruit, for example or perhaps, today, you need only one orange.

In addition to the usual vegetables and greens you will find fresh fruits and vegetables from all over the world. For example, French endive from France... Kiwi fruits from New Zealand, melons from Spain, fresh figs, red leaf lettuce, and black radishes when these items are in season.

You will always find our Produce "FRESHER BY FAR"

PRIESTS, TEACHERS, PARENTS:

For best results in your Greek Schools use the textbooks by

THEODORE C. PAPALOIZOS

They are methodical, modern, with themes from our Greek-American life, with beautiful print and illustrated. They provide the best means for learning Modern Greek.

For your High School or Adult classes, use the excellent book, MODERN GREEK FOR ADULTS.

Η ΙΣΤΟΡΙΑ ΤΗΣ ΚΟΙΝΟΤΗΤΟΣ ΜΑΣ

Ἡ ἱστορία τῆς Κοινότητος τῶν Ἀγίων Κωνσταντίνου καὶ Ἑλένης στὴν Βορειοδυτικὴ Ἰνδιάννα, εἶναι προσωποποιημένος θησαυρὸς ἱερᾶς πίστεως καὶ περήφανης παραδόσεως. Γιά περισσότερα ἀπὸ 60 χρόνια ἔχει ἐπηρεάσει τόσο τὲς ἀτομικὲς ὅσο καὶ τὲς Κοινοτικὲς ἀξίες τοῦ Ἑλληνοαμερικανικοῦ πληρώματος τῆς περιφερείας GARY.

Τὰ θεμέλια τῆς προσπαθείας πρὸς διαιώνισιν τῆς κληρονομίας μας στὸ GARY, τέθηκαν τὸ 1906 ὅταν οἱ προπάτορές μας μετανάστευσαν στὴ νέα πόλι τοῦ χάλυβος ποὺ ἄρχισε νὰ ὑψώνεται ἐπάνω στοὺς ἀμολόφους τῆς λίμνης MI-CHIGAN. Ἦλθαν κυρίως γιὰ νὰ βροῦν οἰκονομικὴ ἀσφάλεια, ἀλλὰ καὶ γιὰ νὰ ἀποφύγουν τοὺς διωγμοὺς τῶν Ὀθωμανῶν Τούρκων.

Αὐτοὶ οἱ πρῶτοι μετανάστες, ἦλθαν μὲ τὴν ἐλπίδα νὰ μαζέψουν χρήματα καὶ νὰ γυρίσουν μιὰ μέρα στὴν πατρίδα τους γιὰ νὰ βοηθήσουν τὲς φτωχὲς οἰκογένειες τους. Μερικοὶ ξεπλήρωσαν τὸν σκοπὸ αὐτό. Οἱ πλεονεκτήματα, ἢ ἀπὸ οἰκονομικὴ ἀνάγκη, ἢ ἀπὸ ἐκλογὴ, ἀποφάσισαν νὰ ἐγκατασταθοῦν μονίμως στὸ GARY. Παντρεύτηκαν, δημιούργησαν οἰκογένειες, καὶ ἔγιναν μέρος τοῦ ρεύματος ἀπολαμβάνοντες τὲς νεοεῦρετες ἐλευθερίες Ἀμερικανικῆς ζωῆς.

Ἐδῶ, λοιπόν, στὴ νέα θετὴ τους πατρίδα, ἐχειλίσε ὁ ἐνδομυχοῦς δεσμός μὲ τὴν παράδοσι καὶ τὴν χρηστότητα, ποὺ μᾶς ἔχει συνδέσει μὲ ὀλοκληρὴ κληρονομία Ἑλληνικῶν πολιτισμῶν. Οἱ μετανάστες πρόγονοί μας ἀναγνώρισαν τὴν ἀνάγκη τῆς Ἑκκλησίας καὶ τῆς μυστηριακῆς ζωῆς τῆς πίστεώς μας. Κατάλαβαν ἐπίσης τὴν σπουδαιότητα τῆς Ἑκκλησίας ὡς μέσον ἐκφράσεως τῆς γλώσσας, μορφώσεως καὶ ἐθνικῆς κληρονομίας.

Λέγεται πως τὸ γεγονός τοῦ ἀναφε σοβαρές συζητήσεις γιὰ τὸ κτίσιμο τῆς Ἐκκλησίας, ἦταν ὁ θάνατος τοῦ πρώτου Ἑλληνοσὶ GARY τὸ 1911. Ἐνα ἀναπόφευκτο θρησκευτικὸ καθήκον ἐπείσε τὲς συνειδήσεις τῶν φίλων του νὰ τοῦ κάμουν τὴν κηδεῖα μέσα σὲ Ἑλληνικὴ Ἐκκλησία. Πῆραν, λοιπόν, τὸν νεκρὸ στὸ Σινάγο γιὰ τὴν κηδεῖα, καὶ ἀμέσως ἄρχισαν νὰ μιλοῦν σοβαρὰ γιὰ τὴν ἵδρυσι τόπου λατρείας τοῦ Ἑλληνισμοῦ τοῦ GARY.

Ἡ πρώτη συνεδρίασι γιὰ τὴν ἵδρυσι Ἐκκλησίας στὴν νέα κοινότητα, ἐγινε τὴν ἀνοιξι τοῦ 1912. Τὸ GARY ἦταν τότε μόνον ἕξι ἐτῶν καὶ ὑπῆρχαν μόνον δέκα Ἑλληνικὲς οἰκογένειες ποὺ ἀπετελοῦντο ἀπὸ μερικοὺς ἐργένηδες καὶ ἑπτὰ γυναῖκες. Ἀργότερα, τὸν χρόνον αὐτὸ, ἔλυσαν τὲς ὀργανωτικὲς τοὺς διαφορὲς καὶ συμφώνησαν στὴ σύστασι τῆς Ἑλληνικῆς Κοινότητος.

Πρῶτα ἀποφάσισαν νὰ ταυτίσουν τὸ ὄνομα τῆς Ἐκκλησίας τοὺς μὲ τὸν Ἅγιο Κωνσταντῖνον, τὸν Ρωμαῖο Αὐτοκράτορα ποὺ ἐπέτρεψε τὸ ἐλεύθερο τῆς λατρείας --τὴν ἀνεξιθρησκεία-- τὸν τέταρτο αἰῶνα. Τὸ ὄνομα τῆς Μητέρας τοῦ Ἁγ. Κωνσταντίνου, Ἁγ. Ἐλένης, προστέθηκε μετὰ τὸ 1924.

Προσελήφθη δικηγόρος γιὰ νὰ γράψῃ τὸ καταστατικὸ, ἀλλὰ οἱ γνώσεις του ἐπὶ τοῦ κανονικοῦ δικαίου ἦσαν περιωρισμένες. Ἀργότερα, ὅταν οἱ Ἐκκλησιαστικὲς ἀρχὲς προσάβησαν νὰ βάλουν σειρά στὰ Ἐκκλησιαστικὰ πράγματα, τὸ καταστατικὸ ξαναγράφτηκε γιὰ νὰ συμβιβάζεται μὲ τοὺς Ὀρθόδοξους κανόνες καὶ τὴν πρᾶξι τῆς Ἐκκλησίας.

Ἡ πρώτη λειτουργία τὸ 1913 ἐγίνε σὲ ἓνα ἐνοικιασμένο μαγαζὶ στὴν διεύθυνσι 1259 MADISON STREET, καὶ ἔτσι ὁ Ἅγιος Κωνσταντῖνος ἐγίνε ἡ πρώτη Ἑλληνικὴ Ἐκκλησία στὴν νέα καὶ αὐξανουσα πόλι τοῦ GARY. Στὴν ἀρχὴ λειτουργοῦσαν ἱερεῖς ἀπὸ τὸ Σινάγο. Δυὸ χρόνια ἀργότερα, τὸ 1915, ἦλθε ὁ πρῶτος μόνιμος ἱερέας, ὁ Πατὴρ Νικόλαος Μανδηλάς, ἀπὸ τὴν Κέρκυρα, ποὺ ἐστάλη ἀπὸ τὴν Ἱερὰ Σύνοδο τῆς Ἑλλάδος μετὰ ἀπὸ αἵτησι τῆς ἐνορίας.

Τόσο νωρὶς στὴν ζωὴ τῆς Κοινότητος, ὑπῆρχαν ἀφοσιωμένοι κοινοτικοὶ παράγοντες ποὺ προέβλεπαν τὴν ἡμέρα ποὺ ἡ Ἑλληνικὴ Κοινότης τοῦ GARY θὰ εἶχε τὸν δικὸν της ναὸ. Ἀλλὰ χρειαζόντουσαν χρήματα γιὰ τὸ κτίσιμό του.

Οἱ ἔρανοι ἦσαν δύσκολοι καὶ πολὺ ἀποκαρδιωτικοὶ γιὰ τοὺς κοινοτικούς ἡγέτες. Οἱ Ἕλληνες ἦσαν πολὺ λίγοι, καὶ ἡ πιὸ μικρὴ συνδρομὴ ἀπὸ τὸ ἡμερομίσθιο τοὺς, ποὺ ἦταν τότε μόνον ἓνα δολλάριο τὴν ἡμέρα, ἐσήμαινε μεγάλη θυσία γιὰ τοὺς φτωχοὺς αὐτοὺς μετανάστες. Πρωτοπόροι κοινοτάρχες ἔκαναν ἐπισκέψεις σὲ διάφορες πόλεις τῶν Μεσοδυτικῶν Πολιτειῶν, γιὰ νὰ ζητήσουν βοήθεια ἀπὸ ἄλλες Ἑλληνικὲς Κοινότητες. Ἀλλὰ τὰ ταξείδια αὐτὰ τότε στὴν Ἰνδιανάπολι, τὸ Σάουθ Μπέντ καὶ τὸ Μάριον τῆς Ἰνδιάνας, καὶ τὸ Κλήβε-λαντ καὶ τὸ Τολέδο τοῦ Ὁχάϊο, γιὰ ἔρανους ἦταν κουραστικὲς καὶ μακροχρόνιες προσπάθειες.

Καθὼς ὁ ἀριθμὸς τῶν Ἑλλήνων ἀρχισε νὰ μεγαλώνῃ μὲ τὴν αὐξησι τῶν οἰκογενειῶν, καὶ τὸν ἐρχομὸ νέων μεταναστῶν, τὸ ἐνοικιασμένο μαγαζὶ ἦταν πολὺ μικρὸ νὰ βολεῖ τὴν αὐξανουσα ἐνορία. Ἐγίνε ἐπομένως καταφανὲς ὅτι ἔπρεπε νὰ εὑρεθῇ νέος τόπος λατρείας. Ἀργὰ τὸ 1913 καταστρώθηκαν τὰ σχέδια γιὰ τὴν ἀγορὰ οἰκοπέδου γιὰ τὸ κτίσιμο τῆς Ἐκκλησίας.

Ἀρχισαν διαπραγματεύσεις γιὰ τὴν ἀγορὰ οἰκοπέδου στοὺς I4 δρόμους καὶ MADISON, τὸ ὅποιο καὶ ἀγοράστηκε τὸ 1916. Ἐν τῷ μεταξύ, μερικὰ μέλη τῆς Κοινότητος ἀποφάσισαν ὅτι πιὸ κατάλληλο μέρος γιὰ οἶκο λατρείας θὰ ἦταν οἱ I3 δρόμοι καὶ JACKSON, ὅπου τρεῖς ἄλλες Ἐκκλησίαι εἶχαν ἤδη κτισθῇ ἀπὸ ἄλλους μετανάστες, ἀπὸ ἄλλες χώρες, καὶ τὲς οἰκογένειες τοὺς.

Ἔτσι τὰ σχέδια γιὰ νὰ κτισθῇ Ἐκκλησία στοὺς I4 καὶ MADISON ἐγκατελείφθησαν καὶ ἐγιναν νέα σχέδια γιὰ Ἐκκλησία στοὺς I3 καὶ JACKSON. Τὸ νέο οἰκὸπεδο ἀγοράστηκε γιὰ \$3,500 καὶ πληρώθηκε ἀπὸ δάνειο \$10,000 ποὺ ἔκαναν οἱ κοινοτάρχες. Τὸ δάνειο αὐτὸ ξεπληρώθηκε τὸ 1919. Τὸ οἰκὸπεδο στοὺς I4 καὶ MADISON πούληθηκε τὸν ἴδιον χρόνον γιὰ \$3,000.

Ἡ ἐκσκαφὴ τῶν θεμελίων γιὰ τὴν Ἐκκλησία στοὺς I3 καὶ JACKSON ἐγίνε τὸ 1917. Λόγω ὅμως τῆς ἐλλείψεως ἐργατικῶν χειρῶν, ἕνεκα τοῦ πολέμου, ἡ ἐναρξὶς τῆς οἰκοδομῆς δὲν ἀρχισε ἕως τὸ 1918 μὲ τὴν βοήθεια πολλῶν ἐνοριτῶν. Μόλις τελείωσε τὸ ὑπόγειο, οἱ ἀκολουθίες γινόντουσαν μέσα σὲ μιὰ σκηνὴ ποὺ στήθηκε ἐπάνω στοὺς τοίχους, ἡ ὁποία ὅμως δὲν ἐξυπηρετοῦσε ἀρκετὰ, οὔτε καὶ εἶδνε καλὴ προστασία ἀπὸ τὸ φοβερὸ κρύο τοῦ χειμῶνα τοῦ 1918.

Ἡ πρώτη λειτουργία ἐγίνε μέσα στὴν νέα Ἐκκλησία τὴν Κυριακὴν τοῦ Πάσχα τὸ 1919. Τὸ κτίσιμο συνεχίστηκε τὴν ἀνοιξι καὶ τὸ καλοκαῖρι, ὅποτε καὶ καταστρώθηκαν τὰ σχέδια γιὰ τὰ ἐγκαίνια. Τὲς 27 Σεπτεμβρίου, 1919, ἐγιναν τὰ ἐγκαίνια τοῦ νέου ναοῦ τοῦ Ἁγ. Κωνσταντίνου ποὺ τὰ περιέγραφε μιὰ ἐφημερίδα τοῦ GARY ὡς "τὴν πιὸ μεγαλειώδη τελετὴ μετὰ τῶν ξενογεννημένων Ἀμερικανῶν ὑπηκόων ποὺ εἶδε ποτὲ τὸ GARY".

Ἡ μεγαλοπρεπὴς Ἀρχιερατικὴ λειτουργία διήρκεσε περισσότερες ἀπὸ 4 ὥρες καὶ τὴν παρακολούθησαν πολλοὶ Ἐκκλησιαστικοὶ καὶ ἄλλοι ἐπίσημοι μὲ τὰ πολύχρωμα ἄμφια καὶ στολὲς τοὺς, μετὰ τῶν ὁποίων καὶ ὁ Προδξενος τῆς Ἑλλά-

δος. Εκείνοι που δεν μπόρεσαν να βρουν κάθισμα στην Έκκλησία πλημύρισαν τους γύρω δρόμους. Το πλήθος υπολογίστηκε σε περισσότερους από 4,000.

Προεξάρχων της λειτουργίας ήτο ο θεοφιλέστατος Επίσκοπος Ροδοστέλου κ.κ. Αλέξανδρος, του οποίου η επίσκεψις θα μείνη ιστορική διότι ήτο η πρώτη φορά που μέλος της Ελληνικής Ιεραρχίας έλαβε μέρος εις ακολουθίαν "Θυρανοιξίων-Εγκαινίων" δυτικώς των Απαλαχίων όρέων. Είπραξεις από τες δωρεές της ημέρας αυτής ήσαν περίπου \$3,000 καὶ κατετέθησαν εις τὸ ταμείον έράνου καὶ διακοσμήσεως της Έκκλησίας, καὶ κοινωνικής προνοίας τῶν ένοριτῶν.

Σέ ένα κύριο άρθρο της έφημερίδος του GARY τήν επομένη των Εγκαινίων η ένορία έπῃρε μεγάλο έπαινο: "Η νέα Έκκλησία είναι μιά από τες πιδ επιβλητικές σ' αυτό τὸ τμήμα της χώρας. Τὸ γεγονός ότι οί Έλληνες είναι μόνο περίπου 300 καὶ η ένορία αυτή είναι μιά από τες πιδ νέες στην Αμερική, κάνει τὸν Άγιο Κωνσταντίνο νά υψώνεται ὡς μνημεῖο στὰ ἰδεώδη της Ελληνικής παροικίας του GARY."

Ο ναός ήταν νέο σχέδιο βασισμένο στην Βυζαντινή αρχιτεκτονική, πὸ πολλές κοινότητες της Αμερικής τὸ ἐμιμήθηκαν αργότερα. Πολύ λίγες άλλες έγιναν στὸν Άγ. Κωνσταντίνο μετὰ τήν συμπλήρωσί του. Προστέθη ὁ Σολέας μπροστὰ στὸ ἱερό, καὶ πολὺ αργότερα τὰ καθίσματα. Όλες οί εἰκόνες δωρήθηκαν ἀπὸ τὰ μέλη, καὶ τὸ εἰκονοστάσιο, ένα ἀπὸ τὰ ὡραιότερα της Αμερικής, ἐφιλοτεχνήθη ἀπὸ δύο Ἰταλοὺς καλλιτέχνες.

Ο ἀμρογωνιαῖος λίθος εἶχε δύο ἡμερομηνίες. Η μία, 1912, ἀνεφέρετο εις τὸ ἔτος πὸ ἰδρύθηκε ἡ Κοινότης, καὶ ἡ ἄλλη, 1917, στὸ ἔτος πὸ ἀρχισε ἡ οἰκοδομὴ τοῦ ναοῦ. Η Έκκλησία κόστισε περίπου \$50,000 καὶ ἡ διακοσμησις άλλες \$25,000. Τὸ δέ χρέος ξεπληρώθηκε τὸ 1942. Τὸ 1950 προστέθη παραπλευρως καὶ τὸ Κοινοτικὸ Κέντρο πὸ κόστισε \$150,000.

Μόνο ένα γεγονός διετάραξε τήν ἁρμονία της ἐκκλησιαστικῆς ζωῆς της Κοινότητος στὰ 60 χρόνια της ὑπάρξεώς της. Η πολιτικὴ διαμάχη μετὰ τῶν Βασιλικῶν καὶ τῶν Βενιζελικῶν. Τὸ 1922 ἡ Κοινότης χωρίστηκε στὰ δύο καὶ οί Βασιλικοὶ ἔκτισαν τήν δική τους Έκκλησία, τήν Αγία Τριάδα, στοὺς II δρόμους καὶ JACKSON. Τὸ 1931 ἐπενέβησαν οί Έκκλησιαστικὲς ἀρχές καὶ οί δύο παρατάξεις ἐνώθηκαν καὶ πάλι.

Πρὸς τὸ τέλος της δεκαετίας 1950, ἡ Κοινοτικὴ ἡγεσία κατάλαβε ὅτι ἤλθε ὁ καιρὸς, ὅπως εἶχε ἔλθῃ καὶ γιὰ τοὺς πατέρες τους, νά ληφθοῦν μέτρα γιὰ τήν μελλοντικὴ ἐπέκτασι της Κοινότητος. Σέ Γενικὴ Συνέλευσι τὸ 1961, λοιπὸν, ἐξελέγη ἐπιτροπὴ γιὰ νά ἐξεύρῃ κατάλληλο οἰκὸπεδο γιὰ κτίσιμο νέας Έκκλησίας, καὶ ἰδρύθηκε εἰδικὸ ταμεῖο στὸ ὁποῖο θά κατετίθεντο \$1,000 τὸ χρόνο γιὰ τήν ἀγορὰ οἰκοπέδου. Γιὰ ἔξη χρόνια ἔγινε ἐντατικὴ ἔρευνα πρὸς ἐξεύρεσιν καταλλήλων τοποθεσιῶν. Τὸ 1967 τὸ παρὸν κτῆμα ἀποτελούμενο ἀπὸ 37 ACRES στὴν διεύθυνσι 8000 MADISON STREET, MERRILLVILLE, INDIANA, ἀγοράστηκε γιὰ \$200,000. Η προκαταβολὴ ἀπὸ \$84,000 βγήκε ἀπὸ τὸ εἰδικὸ ταμεῖο τὸ ὁποῖο εἶχε συγκεντρώσει πολὺ περισσότερα χρήματα ἀπὸ τὰ \$1,000 τὸ χρόνο πὸ εἶχε ἀποφασισθῇ τὸ 1961. Μεγάλῃ ἐπίσῃ βοήθειᾳ γιὰ τὸ Ταμεῖο Ἐράνου ἤλθε ἀπὸ τὸ HELLENIC WELFARE SOCIETY, πὸ ἰδρύθηκε ἀπὸ μερικὰ ἀφοσιωμένα καὶ ἐργατικὰ ἄτομα τὰ ὁποῖα ἀγόρασαν ένα κτῆμα στοὺς 49 δρόμους καὶ τὸ ἐνοικίαζαν γιὰ διάφορες δράσεις γιὰ νά βγάλουν χρήματα γιὰ τήν Έκκλησία. Κάποτε ἐρρίφθη ἡ ἰδέα νά κτισθῇ ἡ νέα Έκκλησία ἐκεῖ, ἀλλὰ δὲν ἐπεκράτησε.

Η ἐκσηκφὴ τῶν θεμελιῶν γιὰ τὸ νέο κτιριακὸ σύμπλεγμα τοῦ Κέντρου καὶ Ναοῦ τῶν Άγ. Κωνσταντίνου καὶ Ἐλένης στὸ MERRILLVILLE ἀρχισε τὰς 20 Σεπτεμβρίου, 1970, καὶ τὸ Κοινοτικὸ Κέντρο ἀνοίξε ἐπίσημως τήν ἡμέρα τῶν Εὐχαριστιῶν τοῦ 1971 ἀπὸ τὸν θεοφιλέστατο Επίσκοπο Ροδοστέλου κ.κ. Τιμόθεο, τὰ δέ ἐγκαινία του ἔγιναν τὰς 14 Μαΐου, 1972 ἀπὸ τὸν Σεβασμιώτατο Ἀρχιεπίσκοπο κ.κ. Ἰάκωβο. Η παλαιὰ Έκκλησία καὶ Κέντρο πούληθηκαν τὸ 1971 στὴν Βαπτιστικὴ Έκκλησία ΚΟΙΝΩΝΙΑ γιὰ \$100,000 καὶ παρεδόθη στοὺς νέους ἰδιοκτητὰς με ἀίσθημα μεγάλης νοσταλγίας καὶ συγκινήσεως.

Η οἰκοδομὴ της νέας Έκκλησίας ἀρχισε τὰς 18 Αὐγούστου, 1974 καὶ τὸ ἐπίσημο ἀνοίγμᾳ της θά γίνῃ τήν ἡμέρα τῶν Εὐχαριστιῶν τοῦ 1975, τήν τετάρτη δηλαδὴ ἐπέτειο τοῦ ἀνοίγματος τοῦ Μορφωτικοῦ Κέντρου.

Μεγάλῃ πραγματικῶς πρόδοος ἔγινε τὰ 60 αὐτὰ χρόνια. Τὸ 1912 ἦσαν μόνο 10 Ἑλληνικὲς οἰκογένειες, δηλ. κάπου 17 ἄτομα. Τὸ 1920 ἦσαν 1392 ἄτομα, καὶ τὸ 1930 περίπου 4074 ἄτομα, δηλ. 3344 γεννημένοι στὴν Ελλάδα καὶ 730 γεννημένοι ἐδῶ. Τώρα εἴμαστε κάπου 1300 οἰκογένειες, δηλ. 6-7 χιλιάδες ἄτομα.

Η Έκκλησία ὑπῆρξε καὶ θά ὑπάρχῃ ὁ μόνος ἐνωτικὸς μας παράγων, καὶ ἡ ἔμπνευσίς μας νά εἴμαστε καλοί Ἀμερικανοὶ πολῖται, νά ὑπηρετοῦμε τήν πατρίδα μας, τήν Πολιτεία μας καὶ τήν Κοινότητά μας, καὶ νά εἴμεθα ὑπερήφανοι διακωνιστὰς της Ἑλληνικῆς μας καταγωγῆς καὶ κληρονομίας.

We beseech Thee

O Lord,

Grant peace to Thy world . . .

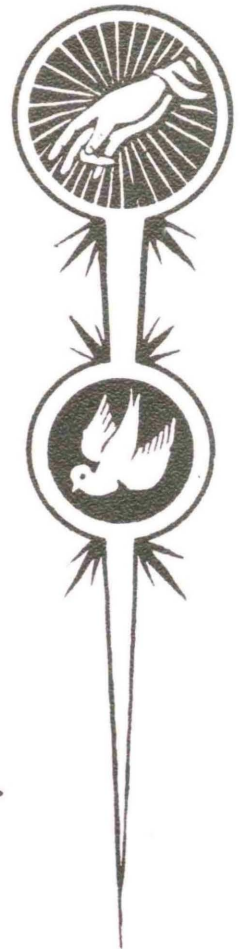

Bless Thine inheritance . . .

And protect the whole body

of Your church . . .

Amen.
